

CLAIM INFORMATION

Section A. Confirm Your Eligibility

Did you have a Green Dot prepaid debit card and/or a Walmart MoneyCard on May 15, 2016? Yes No

If yes, continue to the next question. If no, you are not a member of the Settlement Class and do not qualify to file a Claim.

Please provide the last four digits of the account number(s) for the Green Dot prepaid debit card(s) and/or Walmart MoneyCard(s) that you held as of May 15, 2016:

--	--	--	--

--	--	--	--

--	--	--	--

--	--	--	--

If you had more than one account, you may only submit one Claim Form for losses. For accounts with multiple owners or users, only one Claim may be submitted per account.

Did you attempt to use or access your Green Dot prepaid debit card and/or Walmart MoneyCard account at any time during the time period of May 15, 2016–May 22, 2016? Yes No

If yes, continue to the next question. If no, you do not qualify to file a Claim, but you may still be a Settlement Class Member and qualify for other benefits provided in the Settlement without the need to file a Claim. Those benefits are more fully explained in the Settlement Agreement. Visit www.GreenDotServiceDisruption.com to learn more about the requirements for Settlement Class Membership and the other benefits for which you may qualify.

Green Dot has announced that during the time period of May 15, 2016 through May 22, 2016, some cardholders who tried to use their accounts were unable to access or spend their account funds, due to a disruption in services during a processor conversion for certain accounts. This event is referred to as the “Service Disruption.” For some cardholders, the Service Disruption lasted a few hours with cardholders experiencing no actual difficulties, but for other cardholders, the Service Disruption lasted longer and affected varied account features, such as ATM withdrawals and actual card use for payment purposes.

When you attempted to use your Green Dot prepaid debit card and/or Walmart MoneyCard to access or spend your account funds during the time period of May 15, 2016 through May 22, 2016, were you unable to do so? For example, were you unable to withdraw money from the account or were you unable to use the card to make charges or pay for goods or services? Yes No

If yes, continue to the next question. If no, you do not qualify to file a Claim, but you may qualify for other benefits provided in the Settlement without the need to file a Claim. Those benefits are more fully explained in the Settlement Agreement. Visit www.GreenDotServiceDisruption.com to learn more about the other benefits for which you may qualify.

Did you suffer any financial expenses or other losses as a result of the Service Disruption? For example, were you charged any late fees on other accounts; did you suffer lost wages; were you evicted from your home; did you borrow money with interest to pay bills; were you charged a return payment fee for an account on auto pay; or did you have your electricity or telephone service turned off? Yes No

If yes, continue to the next question. If no, you do not qualify to file a Claim, but you may qualify for other benefits provided in the Settlement without the need to file a Claim. Those benefits are more fully explained in the Settlement Agreement. Visit www.GreenDotServiceDisruption.com to learn more about the other benefits for which you may qualify.

Section B. Claims for Losses

If it is verified that you attempted to use your Green Dot prepaid debit card and/or Walmart MoneyCard to access or spend your account funds between May 15, 2016 through May 22, 2016, and were unsuccessful in doing so and suffered a loss as a result, you will be eligible to receive one of two types of payments to compensate you for the losses and inconveniences suffered as a result of the Service Disruption. Note, however, that the verification will include checking whether the inability to use or access account funds was due to technical issues associated with the processor conversion. A claimant who was unable to access his or her funds for reasons unrelated to the processor conversion—for example, because there were insufficient funds in his or her account—is not a Settlement Class Member and is not entitled to file a Claim.

*If it is verified that you meet all of the criteria described in the Settlement Agreement but **do not** have or do not wish to provide documents to prove your losses and the dollar amount of those losses, you will be eligible to receive a payment of up to **\$100.00**.*

*If it is verified that you meet all of the criteria described in the Settlement Agreement, and you **submit** proof of your losses and the dollar amount of those losses, you will be eligible to receive a payment compensating you for your losses of up to **\$750.00**. Examples of such proof include receipts, account statements, letters or records from employers confirming payments or losses, and letters from landlords confirming payments or losses.*

You will only be eligible for one form of payment under this Claims process. If you previously received any payment or reimbursement from Green Dot to compensate for out-of-pocket expenses resulting from the Service Disruption, other than the two-month Fee Holiday, your compensation will be reduced by the amount you previously received. Some MoneyCard account holders previously received a \$50.00 credit to their accounts made by Green Dot to compensate for losses due to the Service Disruption. Payments under this current Claims process will be reduced by that \$50.00 amount for those cardholders.

If the total dollar amount of Claims for losses exceeds the limits set by the Settlement Agreement, your Claim payment may be reduced depending on the number of valid Claims received.

Payment for your losses will be paid directly to you by check and sent to the mailing address you provided above, or you may elect to receive payment in the form of a credit to your Green Dot account subject to the conditions described below.

Please select one of the following options:

- I have documents to prove the losses and the dollar amount of the losses I suffered as a result of the Service Disruption and will submit that documentation.

If you select this option, please skip to Section C.

- I do not have proof of the losses I suffered as a result of the Service Disruption or do not wish to submit those documents. By choosing this option, you will be eligible to receive a payment of up to \$100.00 only.

If you select this option, please continue to the next two instructions.

Please provide an explanation of the types of losses and the dollar amount of the losses you suffered as a result of the Service Disruption. You must provide both an explanation AND the dollar amount for this Claim to be processed.

Section C. Reimbursement for Documented Losses

For each loss that you suffered as a result of the Service Disruption, please provide a description of the loss, the date of the loss, the dollar amount of the loss, and the type of documentation you will be submitting to support the loss. **You must provide ALL of this information for this Claim to be processed.**

Examples of such losses include late fees charged on accounts, declined payment fee, lost wages, eviction from housing, interest fees on money borrowed, and disconnection of electricity or telephone service. These are only examples and do not represent a complete list of losses eligible for compensation. Please provide a description of any loss that you claim was the result of the Service Disruption.

Examples of documentation include receipts, account statements showing late charges or fees, letters from your employer or landlord, and notices from utility companies.
